

## **Habitat Rules**

- There will be a security guard in the building during the night in case of any issues.
- When coming into the habitat at the end of the day's activities, all should be quiet and respect the other groups sharing the facility. Excessive noise and/or discipline issues can result in security asking you to leave.
- All belongings (including cell phones, MP3 players, etc.) should be locked away in a locker before leaving the room for the day's activities.
- All belongings must be removed from the restrooms so that custodial may clean.
- Please dispose of any trash in the proper receptacles.
- Females and males are to remain in their respective bays. Males are not allowed in female rooms and females are not allowed in male rooms.
- There is no alcohol allowed in the habitat facility.
- There is no smoking in the vicinity of the Habitat complex.
- Please do not use any areas that are marked for staff only.
- In the event of severe weather, the area you are staying in is the designated storm shelter for the facility. Please follow any directions given by the building RAs.
- In the event of a fire, exit the nearest exit and move to the area underneath the space shuttle.
